ENTERED
According to Act of Congress, in the year 1856 by
JOHN T. S. SMITH,
In the Clerk's Office of the District Court of the Southern
District of New York.

The object of this publication is to furnish general information relative to Homœopathy.

Having been frequently called upon for the names of practitioners of Homœopathy, for the use of persons travelling, the publisher thought a work like the present would be appreciated by the believers in the practice.

Time and labor have not been spared to make it correct, yet there are without doubt many errors. The names of the physicians were put in type and proofs sent to persons in different places with requests to correct, many have kindly complied, others have not been heard from.

Any information relative to Societies, Names of Physicians, &c. not in this work, will be thankfully received by the publisher, also any changes in the residence of physicians and any errors or omissions, that they may be corrected in another edition

All communications, concerning this and future editions should be addressed to the Compiler or Publisher 484 Broadway, New York.

The compiler is indebted to the following gentlemen for their kind assistance and co-operation.
