ADDRESS THE SURGEON GENERAL
U. S. PUBLIC HEALTH SERVICE

Dear Dr. Kolb;

Bureau telegram of this date was written in order to give you preliminary notice to proceed to Waukesha, Wis. This is one of the new hospitals taken over for the treatment of patients of the Bureau of War Risk Insurance and from the appearance of the building, it is a delightful place. It is intended to utilize it for neurological cases. It is believed there will be ample quarters in the hospital for you and your family. I believe that you will like this detail very much, as it is certainly a very important one.

Very truly yours,
