BALTIMORE, MARYLAND 21205

CABLE ADDRESS
HOPMED

March 10, 1981

Dear Dan.

Your courtesy in writing me about the proposal for changing the name of the Department of Microbiology is much appreciated. It is a sign of evolution, if not Revolution, and it is proper to try to reflect Function.

I remind you that I was responsible for the change of name from Bacteriology to Microbiology, which made some persons frown.

Good luck -

Sincerely,

Tommy Turner
