MADISON

DEPARTMENT OF PHARMACOLOGY AND TOXICOLOGY

May 11, 1925

Dr. Florence R. Sabin,  
Department of Anatomy,  
Johns Hopkins Univ. Medical School,  
Baltimore, Maryland.

Dear Doctor Sabin:-

Hearty congratulations upon your recent election to the National Academy of Sciences! This is certainly a most deserved honor and it is very gratifying to know that you have been the first woman so honored.

With best wishes for the successful continuation of your valuable work, I remain

Yours sincerely,

*Chauncey D. Leake*
