Dear Mary,

I plan now to take a train from Ann Arbor Tuesday, June 15, at 2.28. It is the Michigan ~~Wolverine~~ Train 22x and leaves Chicago at 8.45 in the morning. So you would leave Chicago at 8.45 on Tuesday morning and we would arrive in New York on Wednesday morning

I think that I haven't written in a few days.

Carla is coming June 3rd. Doan returns from his wedding trip that day and White comes to the Laboratory then so my calendar is full. None of the events conflict. I shall have Carla for dinner if I can get her and may have White also. He is a charmer. Doan is giving a dinner party of his own that night to some friends who are sailing the next day.

I must run home now. Doan is bringing his trunk up to my place and then we are going to the Murphys for dinner.

With love,

John
