Mar 23-29

Dear Mary -
 What a week - I've had
 to see a lot of reporters - Last
 night was awful but this
 evening I met an awfully
 jolly one - She was for the
 Boston Post & promised to send
 me a copy of her article -
 It ought to be good for she
 was such fun -

Tonight I am having the
 new members of my staff

for dinner at the club 40

THE COSMOPOLITAN CLUB

taking them to the theatre

Dr. & Mrs. Wiseman + Dr. Miller.

Mrs. Wiseman has just come

she came in in the summer

& had a nervous break down &

went back home to Indianapolis

but now she is quite well

again - Dr. Wiseman is very

able - The other Dr. Miller is

very shy - He is from Illinois -

& is very quiet - The Dr. Mrs.

couldn't come to any party

for Dr. Davis father is here &
a girl friend of Mrs. Davis -
I was sorry - but had
asked the Mrs. and didn't
want to put it off again -

Sunday noon I'm going
to Eliza's for lunch - must
see Ned soon - Had a
long letter from Mrs. Sheldon -
of course lots of letters
from all over.

Mrs. Deviser mtd that
