THE NEW YORK HOSPITAL-CORNELL MEDICAL CENTER

DEPARTMENT OF PUBLIC HEALTH

May 1, 1996

Dear Don,

Thank you very much for considering me for your conference on the R.I.M.P. I'm not at all certain how I participated in the Program. Dr. George Reader, our Chairman of Public Health was a very active participant and would be a better representative from our institution.

I would be glad to cooperate in any way possible, but do not believe that attendance at the Conference would be very beneficial to you.

Sincerely,

Ralph Engle
