MEMORANDUM

DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE
PUBLIC HEALTH SERVICE
HEALTH RESOURCES ADMINISTRATION
BUREAU OF HEALTH RESOURCES DEVELOPMENT

TO : HRP Executive Staff

DATE: December 6, 1974

FROM : R. L. Peterson 

SUBJECT: HRP Staff Meeting, December 2

The principal discussion at this meeting centered on HRP budget requirements and options for fiscal years 1975 and 1976. A paper analyzing requirements and setting options (dated 11/27/74) had been distributed to the HRP executive staff beforehand.

Mr. Croft and Mr. Kelly described the major options as outlined in that paper that had been identified for purposes of budget analysis. Briefly, they are:

1. Rapid Implementation - limiting transitional funding to December 31, 1975, and making awards to all new agencies by no later than June 30, 1976;
2. Phased Implementation - providing transitional funding on an individual agency basis, and making awards to approximately three-fourths of the new local agencies by June 30, 1976;
3. Delayed Implementation - providing transitional funding to June 30, 1976, and making awards to approximately one-half of the new local agencies by June 30, 1976;
4. Straight Extension - continuing with existing programs at the FY 74 level.

Comments on the budget analysis and options were requested by Mr. Rubel. His desire is that we be in a position to submit an HRP budget request to HRA by December 13.

In addition to a report on legislative developments and prospects by Mr. Rubel, several other matters were noted for information. Mr. Peterson stated that the following additional work group assignments had been made: Agency Selection - Larry Pullen, Tom Simonds, and Bob Ullom of the EHSDS program in BHSR; Area Designation - Bob Lindsay of DFU; and Section 1122/Regulatory Activities - Ben Neufeld and Matt Spear.

Dr. Rorrie is revising the agenda for the regional HRP orientation meetings to be held in January; and development of an agenda for the meeting with regional office staff on HRP implementation later this month, is underway. Copies of the former will be distributed at Monday's meeting. A draft of the latter is attached.
