Dear Jack:

Congratulations! I'm
glad the Wis. position is
going thru. It sounds very
good and I hope you like it.
If so I'll be counting on you
doing a bang up job - for both
our sakes.

Let me know your decision -
you'll be stopping here soon, I hope?

Reprints of Salmonella v.

C.S.H. papers are here.

Regards to Esther

Yours
