Dear Doctor Lederberg:

Another year has passed since the Jane Coffin Childs Memorial Fund last communicated with you. The reports of the activities of former Fellows of the Fund were most gratifying to the members of the Board of Scientific Advisers and they would appreciate hearing of your further progress. A change of address or position, new lines of research, and a list of recent publications would be of interest.

Thanking you for your cooperation in keeping the Fund informed each year, I am

Very truly yours,

Mildred P. Holbrook
