Dear Joshua:

I was advised recently that my Career Development Award from the USPHS was renewed for an additional 5-year period. I am very appreciative of your help in the renewal and send my thanks.

Are you planning to visit the Colorado area in the near future? Perhaps the Transformation Society meeting or the Genetics Society meeting in September? Don't hesitate to stop and visit us should you be in our vicinity.

Best wishes to both yourself and Esther.

Sincerely yours,

M. L. Morse, Ph.D.

Biophysics
