Dear Dr. Lederberg:

It is with deep personal pride that I take pleasure in inviting you as my guest to grace our dais at the Second Annual Yonatan Netanyahu Memorial Dinner sponsored by the American Friends of the Hebrew University.

The dinner will take place Thursday, December 14, 1978, at 6 P.M. in the Imperial Ballroom of the Americana Hotel, New York City. A large delegation of prominent Jewish leaders from all parts of the country will be attending. Senator Bob Packwood of Oregon will be the honoree and Ambassador Yehuda Blum will be the keynote speaker.

As you doubtless know, the American Friends of the Hebrew University have established the Yonatan Netanyahu Memorial Award in eternal tribute to the former Hebrew University student who made the supreme sacrifice while directing the rescue operation at Entebbe in 1976. Last year's award recipient was former President Gerald R. Ford.

Proceeds of the dinner will serve to provide scholarship funds and advance the student residence plaza established on Mt. Scopus campus in Yonatan Netanyahu's memory.

Your participation in this program would lend the appropriate measure of dignity befitting this occasion and would help advance our efforts to strengthen the programs of the Hebrew University. Please be good enough to let me know that we shall have the pleasure of your company on December 14th.

Sincerely,

Stanley M. Bogen
