Diane Sank, PhD
Baron Shopsin, MD
Edward Spingarn, PhD
Lou Willett Stanek, PhD
Mitchell Stephens
Lionel Tiger, PhD
Hon. Peter F. Tufo
Hon. Moses M. Weinstein
William Wolf

The possibility that you may give us an assist, is of course, most encouraging to all the officers of this organization. I personally find the possibility of the Institute sponsoring jointly with Rockefeller University a series of Continuing Invitational Conferences on Heredity and Freedom a most fascinating and challenging prospect.

In accordance with your suggestion, I am enclosing a tentative outline for planning such a series. I am of course open to any suggestions or modifications you may wish to make.

Respectfully yours,

Handwritten signature of Max Hamburg.

Max Hamburg
Program Director

P.S. Since office hours are somewhat irregular right now, I am most easily reached at:
