Dr. Joshua Lederberg  
Department of Genetics  
Stanford University  
Palo Alto, California

Dear Josh,

Betty and I would be delighted to see you <sup>when you</sup> come to New York and reiterate our invitation for you to stay with us. We will make our guest room available the nights of Wednesday, October 4, and Thursday, October 5. I know you will be busy at the Academy meetings but I'm sure we will find occasion to talk about the many things there are to say.

With all best wishes to Ester and yourself.

Sincerely,

  
Francis J. Ryan  
Professor of Zoology
