Dear Josh—

Your letter of January 2 sounds as though we are in nearly identical state of mind. I agree that it would be useful to talk before deciding. At the moment it seems that this will be best done here around March 9, since I do not plan to go out until Thursday returning — which as I understand it is about March 1. In any event I will keep your dates in mind and make arrangements so that we get together at some point early in March.

Best,

Bill
