Dr. S. E. Luria
Department of Biology
Princeton University
Princeton, New Jersey

Dear Luria:

I wonder whether the girl you wrote me about some time ago has found any job yet? Our department is likely to be short a couple of graduate assistants for next year and Dr. Payne would like to know whether your friend would be interested in such a part-time job. This is the same type of thing that the graduate students do and would be most suitable for someone who is planning to do graduate work.

Will you either write directly to Dr. Payne or let me know and I will tell him.

With best wishes,

Yours truly,

T. M. Sonneborn
