College of Agriculture
Department of Genetics
Madison 6, Wisconsin

Dear Josh:

In a few days I shall fill out the forms you kindly sent me.

This is just to let you know that National Institutes of Health has verbally approved of covering my expenses as a participant in the Wisconsin meeting, hence do not spend more time in trying to get me funds from somewhere else.

Sincerely,

Herman M. Kalckar

Dear Herman: I suggested to him this I had written to Bill Cox subject & he had called me back without [illegible] progress. Cotton has sent you another interesting [illegible] and will write as soon as I have time in the scientific quarterly.
