Dear Josh:

I enclose a copy of the previous draft I sent you, with references added and a bibliography. I also added a sentence on page 22.

Best wishes.

Sincerely yours,

Dear Seymour -
Thank you for following up on this. I was glad to have a reminder as I got tied up etc. --- will react p.d.g. My main question is right now is whether the review by Dayman + Sporn comes close enough to preempt another review. I will write again in a few days.
