

Karl Paul Link, RATTOR  
Route 2, Madison, Wisconsin

Monday AM at 830 C.D.T. 6-16-58

Dear Joshua: My brother George  
we call him Whiskers  
was very pleased to meet  
you and was especially  
happy to hear from you  
that one of his papers  
was appreciated by you.  
On my desk here he  
saw your Post Review  
21, 123 1957 on Yourses -  
Genes and Cells and  
he asked me to request  
that you send him a  
reply. Geo. K. K. LINK  
1524 East 59th  
Chicago 57 Ill.

I hope - when he returns - that  
you can meet again. I am  
going to take it easy. I will sample  
of weeks - and then I will  
I am lunching with my old friends  
Best wishes  
as usual R.T.L.

Professor Joshua Lederberg  
Professor & Chairman Medical Genetics  
Professor of Genetics  
Genetics Department -  
College of Agriculture - The University
