

From
KARL PAUL LINK
Lakeview Sanatorium
Madison 4, Wisconsin

Joshua - you were kind enough
to send me a card from
Stockholm and 10⁶ of the 1958 P.N.
The best I can do is send
you my number at the

WISCONSIN STATE PRISON

where my laundry is handled.
So it's LVP L-18 for K.P.C.

Did you know that our little fellow
Paul (aged 5) who has his mother's
brain trends and my t.b. hands
is at Marquette Sanatorium.
Mrs Link - John at 22 and Tom at
1 escaped. I had been tutoring
Paul the past 6 weeks of my
Freedom. He is very promising boy.
