Dear Joshua:

Lyle Cook will have a University car available to you on arrival at San Francisco Airport, United Flight 129, 5:30 a.m. January 21. A wire or message at the United "Will call" desk will tell you where to find key and car. If anything should go wrong with arrangements, call me at home (DAvenport 4-3452), and I can be at the airport in forty minutes. (We're usually up shortly after six in the morning anyway, because of the baby's schedule.)

Rickey's Studio Inn, by the way, is a few miles south of Palo Alto on El Camino Real (Route 101). You will do best to drive down route 101 bypass (Bayshore Highway) as far as Palo Alto, then through town on to 101.

See you soon!

Sincerely,

David
