Dear Mr. Lederberg:-

It gives me great pleasure to inform you that at the Executive Committee Meeting of The New York Academy of Sciences on May 15, 1945, you were elected to Active Membership in the Academy. Upon receipt of your dues for the year 1945, for which a bill is enclosed, you will be entitled to all the privileges of membership.

Active Members are entitled to receive, gratis, all current papers of the Annals. The enclosed letters and post cards indicate the current numbers now available. If you do not wish all of these publications, you may select substitute copies of previously published papers from the enclosed up-to-date publication list. Upon receipt of your request, we shall send the publications to you.

You will receive the Bulletin and the Transactions of the Academy regularly. The Bulletin is a monthly publication and serves to notify Members of the regular meetings of the Academy. The Transactions, in which are published those papers presented before the regular Sectional meetings and containing other general information of interest to the Members, are issued as a monthly publication in eight parts during the academic year, from November to June.

We hope you will enjoy your membership in the Academy. Please call upon the courtesy and service of this office at any time.

Very truly yours,

Eunice Thomas Miner
Executive Secretary
