Dr. Marshall Nirenberg
Chief, LBG, NHLBI
Building 36, Room 1C-06
NIH, Bethesda, MD 20892

Dear Dr. Nirenberg:

On behalf of the Science Faculty and biology students, I am writing to ask you to honor our school again this year by coming to talk about your work.

We have a new group of 400 ninth-graders, and 20 seniors in AP Biology and Chemistry who would certainly enjoy meeting you. Since we now also have videotape cameras, we could tape your presentation if you agreed.

If you can visit again, may I suggest a Wednesday of Thursday afternoon towards the end of April or May. Our activity periods occur between 3 and 4 PM.

A telephone reply would be welcomed.

Yours truly,

Toby Horn
