Dear Mary:

I am having a group for dinner at my home on Wednesday next, and I hope you will be able to join us. The group will consist of Members of Congress and people directly concerned with the Public Health program.

Dress comfortably because it will be in the nature of a barbecue and will be outdoors entirely. Anytime from 6:30 on will be good. We will have an opportunity for some discussion before dinner if everybody arrives around that time. The address is 3627 Chesapeake Street, N.W., at the intersection of Reno Road. I shall be looking forward to seeing you.

With kindest personal regards, I am

Sincerely yours,

John E. Fogarty, M.C.
