July 8th 1903

GLEN VIEW,
ST MARTINS,
GUERNSEY.

Dear Jacks

Sadly the dealers are children of anamas & the sons of Belial. Col Branston writes a very nice letter. He knows of no such picture, never had one & had he had one he never would have parted with a family relic of such value!
We are most comfortable here - the weather is superb.

& the bathing first class
The roads are Excellent &
we have already had
several delightful "five
o'clock tea" picnics in
different parts. The sea
& the rocks on the south
shore, near us, are very
fine & is on the Isle of
Wight. Chines run up from
the coast. Mrs Osler has
been much better. Yesterday
she had a bad attack - again
it seems, as Fowler says, a
Gemmine Marchant asthma
following the whooping cough.
Revere is so happy. - he

has just had the delightful experience of sending his cricket ball through a London pane.

I hope you will find weather like this at Arundle.

With love to Mrs Jacobs.

Sincerely Yours.
