* Those of October 1801 and May 1802, see the beginning of the Revision. Refolvea, That a tax of three fhillings on each member of the Connecticut Medical Society; and alfo, on fuch Phyficians and Surgeons as fhall become members the current year, be levied, collected and paid into the Treafury, to defray the expences of the Society.

May 1793.

Be it ordained, THAT the Secretary of the Connecticut Medical Society, fhall record all the transfactions of the Convention, and conduct their correspondence, and have the cuftody of the Seal of the Society.

Be it ordained, That the Treafurer fhall keep the monies of the Society fubject to their orders, and fhall annually render an account to the Convention of all monies received and paid by him.

Be it ordained, That it fhall be the duty of the examining Committees in the feveral Counties to make an annual return to the Secretary of the Society, of the feveral perfons by them licenfed, and the date of their Licenfes, and an entry fhall be made in the Records of the Society, of every Licenfe granted, containing the name of the perfon licenfed, and of the Prefident and Examining Committee figning the fame.

Be it ordained, That all communications from members of this State, fhall be made to the Clerks of the County Meetings, and by them fhall be laid before fuch Meetings for examination, and if approved of by the County Meetings, fhall be transmitted to the Secretary of the Society to be laid before the Convention.

Be it ordained, That it shall be highly difreputable for any member to assume or hold the knowledge of any Nostrum, or palm any Medicine or composition on the people as a fecret; and that any such member shall be deemed unworthy to belong to the Medical Society : and that the members of the Society shall hold no medical correspondence with such characters, nor consult with them in any medical cafe whatever; and that all Pretenders to Nostrums shall be deemed and considered proper subjects for expulsion from this Society.

Be it ordained, That if any member of the Medical Society whole character ftands fair and unimpeached fhall afk for a difmiffion from faid Society, he may on application to the County Meeting wherein he refides, have a certificate from the Clerk thereof that he is difmiffed from faid Society, on condition that he pays up his proportion of taxes and expences that have arifen previous to the time of his application.

Be it ordained, That whenever any tax is laid by the Convention, it fhall be the duty of the Clerk of each County Meeting to make returns to the Treafurer, of the names of any of the members who may be deficient in the payment of fuch tax.

Be it ordained, That all Phyficians and Surgeons who pretend to any Noftrums or Secrets, and are willing to communicate their knowledge to the public: that they may do it under the folemnity of an oath before fome proper authority, therein declaring that they have revealed every fimple and composition they are possible of, relative thereto, and their method of administering the fame, without the least refervation whatever: and that the Nostrums or Secrets shall be advertifed in the feveral newspapers that circulate in the Counties where they respectively refide. Refolved, That any member of the Connecticut Medical Society shall have free access to attend and hear the debates of the Convention.

Voted, That the Prefident and Fellows of the Connecticut Medical Society fhall receive fix fhillings per diem, for each member while attending in Medical Convention, and fix pence per mile while travelling from their places of abode to the Convention.

Voted, That a Tax of three fhillings be laid on each member of the Connecticut Medical Society; and be collected on or before the fourth Tuefday of September next, by the Clerks of the refpective County Meetings to which they belong; and faid Clerks fhall be refponfible to the Treafurer for the fame.

*October 1793:

October 1794.

Be it ordained; That the feveral County Meetings have jurifdiction of the accufations that may be made by the members of the Medical Society; and if any accufed member shall think himself injured, by the decision of any of the County Meetings, he shall have liberty of appeal to the State Convention.

Be it ordained, That the feveral County Meetings in this State be authorifed to make fuch regulations as their local circumfiances may render convenient : Provided fuch regulations be not contrary to the laws of the State, or the By-Laws of this Society.

* See this date in the Appendix.

Be it ordained, That it shall be the duty of each member of the Medical Society of Connecticut, to accuse any other member of faid Society, for any mildemeanor which he deems contrary to the true intent and meaning of the act of the General Affembly incorporating this Society, or contrary to fuch County regulations as are conformable to the By-Laws authorifing fuch regulations. And the accufer fhall make a flatement in writing of the mildemeanors aforefaid, and lay the fame before a Fellow of the Medical Society : and the Fellow to whom fuch acculation is made fhall iffue a notification to the acculed to appear before the next County Meeting, flating the time when and the place where it is to be holden, to defend if he fee fit, against the acculation. A copy of the faid acculation and notification shall be left with the accused, or at his usual place of abode, at leaft twelve days before the holding of faid County Meeting. And the acculer shall caufe the faid acculation and notification to be ferved and returned to faid County Meeting on the first day of their fitting.

And be it further ordained, That the By-Laws confining the jurifdiction of accufations to the State Convention be repealed.

Voted, That a Tax of one dollar be laid on each member of the Connecticut Medical Society; and that the fame be paid by the first day of May next.

October 1795.

Refolved, That it be confidered as an indifpenfible requifite, for every young gentleman, who fhall hereafter prefent himfelf for examination before the Committee of any County, that he read before faid Committee, an Inaugural Differtation on fome medical fubject, as one of 'the evidences of improvement in his studies.

26

The two last of the last Convention.

Voted, It having been reprefented to the Society, that one of their members had gleaned up from the milerable remains of animal magnetism, a practice of flroking with pointed metallic Inftruments, the pained parts of human bodies, giving out that fuch ftrokings will radically cure the most obstinate pain to which our frame is incident, caufing falfe reports to be propagated of the effects of fuch ftrokings, especially where they have been performed on fome public occafions, and on men of diffinction; also that an excursion has been made abroad, and a patent obtained from under the authority of the United States, to aid fuch delufive quackery; that under fuch auspices as membership of this Society, and the patent above mentioned, the delufion is progreffing to the fouthward, which may occasion difgrace to the Society and milchief abroad; wherefore this Society announce to the public, that they confider all fuch practices as barefaced imposition, disgraceful to the faculty, and delufive to the ignorant : and they further direct their Secretary to cite any member of this Society, practifing as above, before them, at their next meeting, to answer for his conduct, and render reasons why he should not be expelled from the Society, for fuch difgraceful practices.

Voted, That the Degree of Doctor of Medicine be conferred on Doctor James Clark, of Stratford.

O & ober 1796.

Voted, That Doctor James Potter be appointed to deliver an Oration at the opening of the Convention in May next. PRIZE QUESTION.

What are the fymptoms, and beft method of treating the late epidemic diforder, vulgarly called the Canker Rafh, in all its various circumftances, ftages and degrees? It is expected the answer to this question comprise the following circumftances, viz. Is the diforder taken without communication with an infected perfor? Is the perfor who has once had the diforder, secure from a second attack? Is it affected in its progress by any particular feason of the year or fensible state of the atmosphere?

May 1797.

Voted, That the thanks of this Convention be given to Doctor James Potter, for his Oration delivered this day.

Voted, That Felex Pascalis Ouviere M. D. of the City of Philadelphia, be a corresponding member of this Society.

Voted, That the Doctor of Medicine be conferred on Doctor Thaddeus Betts of Norwalk.

Whereas Doctor Elifha Perkins, a member of this Society, having obtained a patent from under the authority of the United States, for the exclufive privilege of using and vending certain pointed metallic Inftruments, pretending that they were the invention of his own; and alfo, that they possible inherent powers of curing many difeases, which is contrary to rules and regulations adopted by this Society, interdicting their members the use of Noftrums. Therefore,

Voted, That the faid Elifha Perkins be expelled from the Medical Society of the State of Connecticut.

May 1798.

Voted, That the thanks of the Society be returned to Doctor Lemuel Hopkins, for his hiftory of a cafe of bilious concretion.

Voted, That the thanks of this Society be returned to Doctor Jared Potter, for his Effay delivered at this time.

October 1798.

Voted, That the thanks of this Society be given to the voluntary affociated Medical Society of New-Haven County, for their prefents this day of a number of valuable books.

Voted, That the Degree of Doctor of Medicinebe conferred on Doctors Jared Potter and Theophilus Rogers.

PRIZE QUESTIONS.

- 1st. Scirrhus, its rife, fymptoms and progrefs, until it ends in an ulcerated Cancer, and the beft method of treating it in its various ftages. The prize annexed to this queffion, is. Parkinfon's Voyage to the South Seas, quarto vol. to be prefented to the fuccefsful Candidate.
- 2d. What are the fymptoms and progrefs of Scarletina Anginofa, as it appeared in the State of Connecticut in the year 1793, its various ftages and degrees. Is a perfon liable to a fecond attack of the difeafe? How diftinguished from Angina Maligna? Is it affected in its progrefs by any particular feafon of the year or ftate of the atmosphere? And what is the best method of treatment in its various ftages? The prize annexed to this question, is the work of Doctor John Fothergill, in one vol. folio, to be prefented to the fuccessful Candidate.

Voted, That the Secretary publish the doings of this Convention in one of the newspapers in this state, and transmit copies to the Clerks in the feveral Counties, at the expense of the Society.

October 1799.

Voted, That Doctors Eneas Munfon, Nathaniel Dwight, James Potter, Simon Wolcott, Jeffe Carrington, William B. Hall, Thaddeus Clark, and Jeremiah Weft, be a Committee to take into confideration and digeft fome regular fyftem of Education, to be purfued by Candidates for the practice of Phyfic and Surgery in this State; and report to next Convention.

Voted, That a Degree of Doctor of Medicine be conferred on Doctor John Warren, of Boston.

Voted, To request Doctor Eli Todd and Nathaniel Dwight, to deliver each a Differtation before the next Convention.

Voted, That the thanks of this Convention be returned to Doctor Thaddeus Clark, for his ingenious Differtation, delivered this day before the Society, and that a copy be requested of him.

May 1800.

Voted, That the thanks of this Society be returned to Doctor Nathaniel Dwight, for his ingenious Differtation read this day before this Convention, and that a copy be requested to be on file.

Voted, To request Doctor Eli Todd, or on his failure, Doctor Simeon Field, to deliver an Oration or Differtation before this Convention, at their next feffion.

Refolzed, That it is the opinion of this Convention, that Doctor Mark Newell, who has been cited to appear before this Convention to answer to an acculation against him for a breach of a By-Law of this Society, prohibiting members from holding noftrums, is guilty of a breach of faid By-Law.

Voted, That Doctor Mark Newell may have the privilege of publishing the Recept for his Jaundice Pills or Family Physic, and be confidered a reputable member, by complying with the requifitions of the By-Law.

Doct. Mark Newell's Jaundice Pills or Family Physic.
