Dear Dale.

Herewith copy of what I
have put together (500 words about)
in support of Lacey's candidature
for the Copley award. I have sent
the original to Griffiths Dawin.
If you wish for any attention
there is ample time for this.
I am sending it in early as
Griffiths Dawin wants it and
I want to get it off my mind.

Harington has seen a
copy and agreed to it
and I have sent a
copy to Fildes. i.e. F. G. Fildes (?)

Yours sincerely
Percival Hartley
