GREETINGS

Dear Josh and Esther

DRs. Esther and Joshua  
Levinberg

I am enjoying the London life as  
a visitor; working on weekday about  
construction and walking around on  
holiday, walk along riverside of Thames,  
Piccadilly circus, Trafalgar square, etc. etc..

On <sup>last</sup> Sunday, people in this lab. took me for  
sight see <sup>trip</sup> to Woburn Abbey, and enjoyed  
to see Duke's house, collection of steam-engines.

The old steam-engines are still working,  
with big noise, black smoke, producing terrific  
amount of steam!

I hope everything goes well at Stanford.

Woburn Abbey from the West. <sup>with regards.</sup>
