PROGRAMME
OF
PROCEEDINGS AND ARRANGEMENTS.

TUESDAY, May 7th.

MORNING.

Meeting called to order by the President, at eleven o'clock A. M., in Horticultural Hall.

Prayer by the Right Rev. WM. BACON STEVENS, M.D., D.D., D.C.L., Bishop of the Protestant Episcopal Church in Eastern Pennsylvania.

Address of Welcome, in behalf of the Medical Profession of Philadelphia, by Prof. R. E. ROGERS, M.D., Chairman of the Committee of Reception.

Greeting, in behalf of the Committee of Arrangements, and Report upon Arrangements and Credentials, by EDWARD HARTSHORNE, M.D., Chairman of the Committee of Arrangements.

Regular order of business, under direction of the meeting, including the Annual Address of the President. Adjournment, at one o'clock P. M.

AFTERNOON.

The Sections will meet in the different rooms, as designated on the Delegates' tickets, at half past three o'clock.

EVENING.

Reception by the Biological and Microscopical Section of the Academy of Natural Sciences, in the Foyer or upper hall, with exhibition of Microscopes and other instruments, at half past seven o'clock. Conversational meeting, with music, in the main or lower hall.

WEDNESDAY.

MORNING AND AFTERNOON.

The Association will meet at ten o'clock A. M., and adjourn at one o'clock P. M. Sections will meet at three and a half o'clock P. M.

EVENING.

Lecture by Dr. H. D. NOYES on "THE RELATION OF DISEASES OF THE INNER STRUCTURE OF THE EYE TO OTHER AFFECTIONS OF THE BODY," illustrated by OPHTHALMOSCOPIC PICTURES in the MAGIC LANTERN, in the Chemical lecture room of the Medical Department of the University of Pennsylvania, Ninth Street above Chestnut, at seven o'clock.

Brief lecture by Prof. R. E. ROGERS, with demonstration of ELECTRICAL PHENOMENA, in the same Hall at eight o'clock.

Receptions by Dr. JOSEPH PANCOAST and Dr. HUGH L. HODGE, from eight to eleven o'clock P. M.

THURSDAY.

The Association will meet at ten o'clock A. M., and adjourn at one o'clock P. M. Sections will meet at three and a half o'clock P. M.

EVENING.

Lecture, with experimental illustration, ON SOUND, by Dr. J. SOLIS COHEN, at the Jefferson Medical College, Tenth Street below Walnut, at seven o'clock.

Reception by THOMAS A. SCOTT, Esq., S. E. corner of Nineteenth and Rittenhouse Streets, on Rittenhouse Square, at eight o'clock P. M.

FRIDAY.

Association will meet at ten o'clock A. M.

AFTERNOON.

Excursion to the Park, by the Reading Railroad, Thirteenth and Callowhill Streets. Trains will start at 12.30, 2, and 3.55 o'clock.

Omnibuses will be in readiness to convey visitors to different points of interest.

Other vehicles will be available; also, a small steamboat—the only one that could be obtained so early in the season—will receive delegates at Fairmount landing at 1, 2.30, 4, and 5.30 o'clock, or the Belmont landing at 1.20, 2.50, 4.20, and 5.50 o'clock for the trip on the river.

Collation at Belmont Pavilion, at four o'clock. Music from one o'clock until six.

Trains will return at 5.15 and 7 o'clock.

A Navy Yard steam launch or tug will leave the Navy Yard every morning, for a trip to League Island at ten o'clock, and return at twelve. Delegates, and ladies with them, wishing to see the iron clads, will be received on showing their tickets.

MUSEUM.

The collection of objects of Professional and Scientific interest, on exhibition in the Hall of the College of Physicians (Thirteenth and Locust Streets), will be open from nine o'clock A. M. to ten o'clock P. M., each day of the session.
