The Acting Secretary of State to the President of Haiti

DEPARTMENT OF STATE

WASHINGTON

April 7, 1942

MY DEAR MR. PRESIDENT:

With reference to your memorandum of April 6 [1] and to our conversation yesterday afternoon, I take pleasure in confirming that this Government is prepared to assist the Government of Haiti in the carrying out of certain health and sanitation projects. The Government of the United States, in making available a sum of approximately \$350,000 to be expended for this purpose, is acting in accordance with Resolution XXX regarding health and sanitary conditions adopted by the Third Meeting of Ministers of Foreign Affairs of the American Republics in Rio de Janeiro.

It is my understanding from the memorandum referred to that the Haitian Government desires this assistance in connection with the execution of certain sanitary projects such as the draining of marshy regions, the improvement of water supply, the development of facilities for adequate sewage disposal and other miscellaneous work designed primarily to protect the health of personnel who may be stationed at posts of the Coast Guard Service, the Marine railway and at the aviation field at Chancerelles.

Accordingly the Government of the United States, acting through the agency of the Office of the Coordinator of Inter-American Affairs, is disposed to send, if it is agreeable to you, a small group of experts to Haiti in order to develop a specific program in agreement with your Government, acting through officials designated by it. This group will be under the immediate direction of the Chief Medical Officer of the Office of the Coordinator of Inter-American Affairs, and will work in the closest cooperation with the appropriate Haitian officials. The salaries and expenses of the group of experts will be paid for by the Office of the Coordinator of Inter-American Affairs and will not be debited against project funds. Approval for the actual execution of the specific projects agreed upon will be given by the respective Governments or their duly appointed agents. Expenditures for such projects shall be made upon certification of the Chief Medical Officer and the appropriate Haitian official designated for the areas where projects will be executed.

¹ [Not printed.]

These projects upon completion will of course become the sole property of the Republic of Haiti. Furthermore, in accordance with a request contained in your memorandum under reference, the United States Government will be prepared to facilitate such training of personnel as the two Governments deem advisable.

My Government anticipates that the Haitian Government will be willing to provide, in accordance with its ability, such raw materials, services and funds as may be deemed necessary for the proper execution of the program.

Believe me, my dear Mr. President, with assurances of my highest and most distinguished consideration,

Yours very sincerely,

SUMNER WELLES

His Excellency

M. ELIE LESCOT,

President of the Republic of Haiti.

The President of Haiti to the Acting Secretary of State

WASHINGTON, D. C., le 7 Avril 1942.

MON CHER MONSIEUR WELLES,

En confirmation de notre conversation d'hier après-midi, et en réponse à la communication que vous avez eu la bonté de m'adresser aujourd'hui, je désire vous exprimer mon appréciation de la décision du Gouvernement des Etats-Unis d'Amérique de prévoir une somme approximative de \$350.000 pour les dépenses nécessaires à l'exécution de certains projets sanitaires et d'hygiène dans la République d'Haiti, suivant les termes de la Résolution XXX, adoptée à la Troisième Réunion des Ministres des Affaires Etrangères des Républiques Américaines à Rio de Janeiro.

Il m'est agréable de vous informer, mon cher Monsieur Welles, que le Gouvernement de la République d'Haiti accepte, avec joie, l'offre de votre Gouvernement d'envoyer en Haiti un groupe d'experts, afin de développer un programme spécial de sanitation et d'hygiène, en accord avec les fonctionnaires autorisés du Gouvernement Haitien, et convient aussi de mener ce projet sur le plan d'un effort coopératif, suivant les stipulations de votre lettre.

De plus, le Gouvernement Haitien, dans la mesure de ses moyens, fournira les matières premières, les fonds et services qui seront jugés nécessaires à l'exécution adéquate du programme conjoint d'hygiène et de sanitation.

Avec les assurances de ma très haute considération, je vous demande, mon cher Monsieur Welles, de croire à mes sentiments invariablement amicaux.

E. LESCOT
Président de la
République d'Haiti.

Honorable

SUMNER WELLES,
Acting Secretary of State,
