

deformans and a hand in normal condition, and contained the statement in bold type "Rheumatism, Arthritis Pains Relieved in a few minutes with Doctor's External Prescription," followed by various statements and testimonials with respect to the use of the article in various diseases and conditions.

**LIBELED:** 12-10-53 W. Dist. Wis.

**CHARGE:** 502 (a)—the labeling of the article when shipped was false and misleading because, when read in the light of the setting in which it was intended to be read, it conveyed to the public a meaning which represented and suggested that the article was more than a palliative relief for simple muscular pains and that it was an adequate and effective treatment for arthritis, rheumatism, neuralgia, sciatica, sprains, and bruises, whereas the article was not an adequate and effective treatment for arthritis, rheumatism, neuralgia, sciatica, sprains, and bruises.

**DISPOSITION:** 12-2-54. Default—destruction.

**4598. B-amino-complex tablets.** (F. D. C. No. 34608. S. Nos. 9-368/9 L.)

**LIBELED:** 1-19-53, N. Dist. Ill.

**CHARGE:** 502 (a)—the labeling of the article when shipped contained false and misleading representations that the article was an adequate and effective treatment for deafness and irritability; that it would supply energy to the heart, lungs, muscles, liver, and other important organs; that it would supply missing enzymes necessary to carry on body functions, such as growth, reproduction, secretion, nerve condition, and muscular contraction; that it would stimulate the body to work as nature intended; that it would endow the user with vibrant life, health, and energy; that it would enable the liver to convert more than normal amounts of carbohydrates into energy; that it would transfer fatigue to quick energy; that it would prevent and correct disfunction in the energy conversion chemistry of body functioning; that it would reactivate all enzymes systems necessary for healthy body functioning; that it would activate the body cells to function as nature intended; and that it would supply needs that are missing from the food one eats.

The article was alleged also to be misbranded under the provisions of the law applicable to foods, as reported in notices of judgment on foods.

**DISPOSITION:** 8-14-53. Default—destruction.
