On December 30, 1925, the United States attorney for the District of Maryland, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district a libel praying seizure and condemnation of 150 sacks of meat and bone scrap, remaining in the original unbroken packages at Walkersville, Md., alleging that the article had been shipped by the Berg Co., from Philadelphia, Pa., on or about September 3, 1925, and transported from the State of Pennsylvania into the State of Maryland, and charging misbranding in violation of the food and drugs act. The article was labeled in part: "Berg's 50% Protein Poultry Meat & Bone Scrap. Guaranteed Analysis Min. Protein 50.00% * * * Manufactured By The Berg Company Incorporated Philadelphia, Pa."

Misbranding of the article was alleged in the libel for the reason that the label bore the following statement "50% Protein * * * Guaranteed Analysis Min. Protein 50.00%," which was false and misleading and deceived and misled the purchaser.

On February 10, 1926, the Berg Co., Philadelphia, Pa., having appeared as claimant for the property, judgment of condemnation was entered, and it was ordered by the court that the product be released to the said claimant upon payment of the costs of the proceedings and the execution of a bond in the sum of \$862.50, conditioned in part that it not be sold or disposed of until labeled to show the correct contents, and inspected and approved by this department.
