

tention of the Menses (Chlorosis or Green Sickness)—The nonappearance of the monthly evacuation of the natural period is called retention of the menses, and is followed sooner or later by serious ill health. \* \* \* In this disease you should give Dr. Kaufmann's Sulphur Bitters, \* \* \* Painful Menstruation, or Dysmenorrhoea \* \* \* The discharge is scanty at first, and accompanied with grinding or bearing-down pains, which are sometimes as severe as, if not severer than those of labor. \* \* \* Profuse Menstruation, or Menorrhagia—In an unhealthy state of the system the quantity of menstrual fluid discharged may be increased to such an extent as to cause extreme debility. \* \* \* Leucorrhoea, or Whites (Fluor Albus)—Fluor Albus, or Whites, consists of a discharge from the vagina of a milky-white color. \* \* \* Dr. Kaufmann's Sulphur Bitters should always be taken. \* \* \* The Turn of Life. The final cessation of the menses is called the Turn of Life, or the critical period of life, \* \* \* Thousands of ladies have sent me letters telling me what good Dr. Kaufmann's Sulphur Bitters have done them during this period. Scabies or Itch \* \* \* Carbuncles \* \* \* Dr. Kaufmann's Sulphur Bitters will aid \* \* \* Chronic Diseases \* \* \* Boils, Furunculus \* \* \* Take a teaspoonful of Dr. Kaufmann's Sulphur Bitters night and morning. \* \* \* Pemphigus and Rupia \* \* \* Dr. Kaufmann's Sulphur Bitters will help you. \* \* \* Nursing Sore Mouth, Stomatitis Materna \* \* \* Dr. Kaufmann's Sulphur Bitters, Goitre—Bronchocele, or Thick Neck \* \* \* Dr. Kaufmann's Sulphur Bitters \* \* \* Impetigo, Crusted Tetter or Scale \* \* \* Dr. Kaufmann's Sulphur Bitters \* \* \* Pimples \* \* \* Take a teaspoonful of Dr. Kaufmann's Sulphur Bitters three times a day \* \* \* Foul and Offensive Breath \* \* \* Likewise take Sulphur Bitters night and morning \* \* \* Hidden Diseases \* \* \* Dr. Kaufmann's Sulphur Bitters \* \* \* Nervous Diseases \* \* \* Catarrh \* \* \* A teaspoonful of \* \* \* should be taken three times a day \* \* \* Dyspepsia, or Indigestion \* \* \* Jaundice \* \* \* Sulphur Bitters acts like magic in jaundice \* \* \* Piles \* \* \* Dr. Kaufmann's Sulphur Bitters should then be used regularly, \* \* \* To Mill Operatives, Mechanics, Clerks and all Employed Indoors \* \* \* Ecthyma or Pushes \* \* \* Take a teaspoonful of Dr. Kaufmann's Sulphur Bitters night and morning \* \* \* Sick and Nervous Headache \* \* \* Nightmare \* \* \* Sleep \* \* \* Salt Rheum \* \* \* Keep right on using Dr. Kaufmann's Sulphur Bitters. \* \* \* Canker in the Mouth and Stomach, or Thrush \* \* \* The Blues \* \* \* Mothers \* \* \* Tinea Favus, or Scald-Head \* \* \* Syphilis \* \* \* Liver Complaint, or Biliousness \* \* \* Malaria, Fever and Ague, Intermittent Fever, or Shakes \* \* \* Chronic Ulcers or Old Sores \* \* \* St. Vitus' Dance \* \* \* Rheumatism \* \* \* Chronic Rheumatism \* \* \* Hysteria, or Hysterics \* \* \* That Tired and All-Gone Feeling;" (bottle label of portion of product) "In obstinate cases of biliousness and costiveness."

On March 10, and March 24, 1930, respectively, no claimant having appeared for the property, judgments of condemnation and forfeiture were entered, and it was ordered by the court that the product be destroyed by the United States marshal.

ARTHUR M. HYDE, *Secretary of Agriculture.*

**17202. Misbranding of Nozol. U. S. v. 36 Dozen Packages of Nozol. Default decree of condemnation, forfeiture, and destruction. (F. & D. No. 24307. I. S. No. 011566. S. No. 2553.)**

On January 22, 1930, the United States attorney for the District of Massachusetts, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district a libel praying seizure and condemnation of 36 dozen packages of Nozol, remaining in the original unbroken packages at Boston, Mass., alleging that the article had been shipped by the Nozol Co., from Pittsburgh, Pa., on or about November 1, 1929, and transported from the State of Pennsylvania into the State of Massachusetts, and charging misbranding in violation of the food and drugs act as amended.

Analysis of a sample of the article by this department showed that it consisted essentially of mineral oil, camphor, and oil of peppermint colored with a pink dye.

It was alleged in the libel that the article was misbranded in that the following statements appearing on the bottle label and accompanying display card, regarding the curative and therapeutic effects of the said article, were false and fraudulent, since it contained no ingredient or combination of

ingredients capable of producing the effects claimed: (Bottle label) "For the care of the Nose. \* \* \* Nozol (Nose All);" (display card) "Nozol relieves Sinus trouble \* \* \* makes breathing easy \* \* \* recommended by specialists for \* \* \* Hay Fever, General Nose Troubles. Use Nozol for Sinus Trouble \* \* \* Sinus Trouble relieved with Nozol. \* \* \* Nozol (Nose All)."

On March 12, 1930, no claimant having appeared for the property, judgment of condemnation and forfeiture was entered, and it was ordered by the court that the product be destroyed by the United States marshal.

ARTHUR M. HYDE, *Secretary of Agriculture.*

**17203. Misbranding of Norma. U. S. v. 81 Bottles, et al., of Norma. Default decree of condemnation, forfeiture, and destruction.** (F. & D. Nos. 22220, 22221, 22222. S. Nos. 282, 286, 287.)

On November, 29, 1927, the United States attorney for the Northern District of Illinois, acting upon a report by the Secretary of Agriculture, filed in the District Court of the United States for said district libels praying seizure and condemnation of 16 $\frac{3}{4}$  dozen bottles of Norma at Chicago, Ill., alleging that the article had been shipped by the Norma Laboratories (Inc.), from Albany, N. Y., in various consignments, on or about July 16, October 1, and November 16, 1927, respectively, and transported from the State of New York into the State of Illinois, and charging misbranding in violation of the food and drugs act as amended.

Analysis of a sample of the article by this department showed that it consisted essentially of a soluble phosphate, glycerin, and water, with a small amount of plant extractive material and red coloring matter.

It was alleged in the libels that the article was misbranded in that the following statements regarding the curative or therapeutic effects of the said article, appearing on the bottle label and in the accompanying circular (bottle label of portion) "A medicine containing an ingredient recognized by many leading physicians as helpful in the treatment of High Blood Pressure," (bottle label of remainder) "Blood Mechanism Regulator. Indicated in cases of discomfort caused by high blood pressure; deficient nerve nutrition, etc.," (circular accompanying portion) "The function of Norma is to aid Nature in its efforts to relieve the many sufferers from the distressing and unpleasant symptoms which usually accompany and manifest themselves in high blood pressure. High Blood Pressure is not a disease. It is a symptom of some disorder or abnormal condition. Sometimes it may be a result of mental worry or strain. Then again it may be the consequence of unhygienic living, over and improper feeding, insufficient physical exercise, accumulation of poisons or toxins in the system, change of life or various other causes. To determine the cause an examination by a physician is desirable. As Norma does not remove the cause of high blood pressure, it is advisable to discover the cause and use corrective medical or hygienic measures while taking Norma. Norma, however, usually reduces high blood pressure and thereby relieves dizziness, head pains, nervousness, restlessness, sleeplessness and other discomforts and pains accompanying it. Those Who Know They Have High Blood Pressure. Thousands of persons have been told by insurance medical examiners and practicing physicians that they have high blood pressure. Such persons usually find great relief with Norma which reduces most forms of high blood pressure promptly and satisfactorily. It thereby tends to bring relief from dizziness, head pains, and nervousness, sleeplessness, restlessness, melancholia and other distress and ills due to high blood pressure and usually enables blood pressure sufferers to go about their daily work and pleasures in comfort. One bottle often brings wonderful relief," (circular accompanying remainder) "The function of Norma is to aid the nature in its efforts to rehabilitate itself and thus relieve the many sufferers from the distressing and unpleasant symptoms which usually accompany disturbances of human blood mechanism and manifest themselves in so-called high blood pressure. So-called 'High Blood Pressure' is not a disease. It is a symptom of an abnormal condition. Sometimes it is one of the manifestations of Bright's disease—then again it may be a result of mental worry or strain and then again it may be just the consequence of unhygienic living and occurring usually in over and improper feeding and insufficient physical exercise," were false and fraudulent in that the said statements were applied to the article knowingly and in reckless and wanton disregard of their truth or falsity so as to represent falsely and fraudulently to purchasers thereof that it was, in whole or in part, com-
