**29100. Adulteration of butter. U. S. v. 61 Tubs of Butter. Consent decree of condemnation. Product released under bond to be reworked. (F. & D. No. 42989. Sample No. 21753-D.)**

This product contained less than 80 percent of milk fat.

On May 12, 1938, the United States attorney for the Northern District of Illinois, acting upon a report by the Secretary of Agriculture, filed in the district court a libel praying seizure and condemnation of 61 tubs of butter at Chicago, Ill.; alleging that the article had been shipped in interstate commerce on or about May 2, 1938, by Talbot-Woods & Kelly Butter Co., Inc., from Kansas City, Kans.; and charging adulteration in violation of the Food and Drugs Act.

The article was alleged to be adulterated in that a product containing less than 80 percent by weight of milk fat had been substituted for butter, a product which should contain not less than 80 percent of milk fat as provided for by the act of March 4, 1923.

On May 23, 1938, D. J. Coyne & Co., Chicago, claimant, having admitted the allegations of the libel, judgment of condemnation was entered and the product was ordered released under bond conditioned that it be reworked to the legal standard.
