PUBLICATIONS AND SERVICES  
USEFUL TO THE MEDICAL  
LIBRARIAN

A preliminary list

GENERAL

1. Bulletin of the Medical Library Association. Published by the Association. Correspondence regarding subscriptions should be addressed to Dr. Donald Washburn, Business Manager, American Dental Association, 222 East Superior Street, Chicago 11, Illinois. Issued quarterly at \$ 7.00 per year.  
Contains articles on the literature of medicine, dentistry, pharmacy, nursing, and allied scientific fields, as well as biography and history, and on various phases of medical library work; includes book reviews and biennial directory of members.
2. Columbia University. School of Library Service. Guide to the literature of the medical sciences; for use in connection with Library Service 220 B. Prepared by Thomas P. Fleming; preliminary edition. 131 p. 1953. The School, 516 Butler Library, South Hall, 114 Street, New York 27, New York, \$ 4.00.  
Lists of texts, periodicals, reviews and abstracts in the preclinical and clinical sciences. "Not intended as a medical Winchell."
3. Jenkins, Frances Briggs. Science reference sources; a selected list of titles for use in Library Science 412 at the University of Illinois Library School. 90 l. 1954. Illini Union Bookstore, 715 South Wright Street, Champaign, Illinois. \$ 1.00.  
A listing of reference tools useful in the sciences; includes sections on biological sciences, psychology, medical sciences.
4. Medical Library Association. Handbook of medical library practice, with a bibliography of the reference works and histories in medicine and allied sciences. 2d ed., rev. and enl. Janet Doe, Mary Louise Marshall, editors. 601 p. 1956. American Library Association, 50 East Huron Street, Chicago 11, Illinois. \$ 10.00.  
A guide to the collection, organization, and care of medical literature, and to the chief reference works and histories in medicine and allied fields; includes annotated bibliography of 1965 entries; indicates titles especially useful for small libraries.

5. Pendrill, G. R.  
Medical library literature, 1950-1952. Libri, 1954, 3: 423-451;  
Medical library literature, 1954. Bull. M. Libr. Ass., 1956, 44:  
160-174.  
A list of articles on medical librarianship. "A bibliography  
covering 1953 ... will be published later."
6. Tennessee, University. College of Medicine, Memphis. Library.  
Library orientation and instruction syllabus. Rev. ed. 110 p.  
Memphis, Library, University of Tennessee, 1952.  
"Information ... on integral tools found in any type of library,  
e.g., the card catalog, indexes, and reference texts, but ... we  
stress application of these tools to the highly specialized fields  
of the pre-clinical and clinical sciences." Much space given to  
references sources, especially indexes, abstract journals, review  
journals, and reference books, with very brief descriptive notes for  
most entries.

#### EDUCATION FOR MEDICAL LIBRARIANSHIP

7. Brodman, Estelle.  
Education for medical librarians in the United States. Libri,  
1954, 3: 205-213.
8. Education for special librarianship: Medical librarianship, by M. L.  
Marshall. Lib. Quart., 1954, 24: 13-15.
9. Jordan, Mildred.  
Report on the two courses for medical librarianship sponsored by  
the Medical Library Association. Libri, 1954, 3: 214-218.
10. Postell, W. D.  
The medical librarian. In: Medical Library Association. Handbook  
of medical library practice. Chicago, American Library Association,  
1956, p. 30-41.

#### ADMINISTRATION AND ORGANIZATION

11. Brodman, Estelle. Medical librarianship. Pub. Health Rep., 1955, 70:  
473-478.
12. Campbell, D. J. Public relations in the libraries of hospitals and  
medical research institutes. Libri, 1954, 3: 346-352.
13. The cost of medical periodicals. Editorial. J. Am. M. Ass., 1954, 154:  
681.  
Costs in several countries compared.
14. Crowe, M. R.  
Public relations. In: Medical Library Association. Handbook of  
medical library practice. Chicago, American Library Association,  
1956, p. 239-263.

15. Darrach, M. J.  
Orientation in the medical library; training the new librarian assigned to medical library. Bull. M. Libr. Ass., 1950,38: 234-237.
16. Foregger, Richard.  
What the physician expects of the librarian. Bull. M. Libr. Ass., 1952,40: 283-287.
17. Glasgow, Marcella.  
The budget in the medical school library. Bull. M. Libr. Ass., 1953,41: 252-257.
18. Goodall, A. L.  
The place of the librarian in the medical team. Bull. M. Libr. Ass., 1954,42: 19-22.
19. Jones, M. I.  
Classification. In: Medical Library Association. Handbook of medical library practice. Chicago, American Library Association, 1956, p. 89-153.
20. Jordan, Mildred.  
Administration. In: Medical Library Association. Handbook of medical library practice. Chicago, American Library Association, 1956, p. 42-66.
21. Meckel, C. L.  
Bigger or better collections? Bull. M. Libr. Ass., 1953,41: 365-368.
22. Murphy, M. A. and Carr, E. F.  
Some practical aspects of medical school library administration. Q. Bull. Northwest. Univ. M. School, 1954,28: 418-421.
23. Pulaski, E. J. and Brodman, Estelle. The physician and the medical library. J. Am. M. Ass., 1955,157: 1601-1604.
24. Robinson, I. M.  
Gifts with strings attached. [Editorial.] Bull. M. Libr. Ass., 1953,41: 422-423.
25. Sexton, A. M.  
Methods used in the library, publications, and museum department. In: Wadsworth, A. B. Standard methods of the Division of Laboratories and Research of the New York State Department of Health. 3d ed. Baltimore, Williams & Wilkins, 1947, p. 849-861.

26. Symposium - weeding the medical library: Medical school libraries, by Elizabeth Carr - Medical school libraries; by M. A. Murphy - The special hospital library, by J. W. Felter - An association library, by J. M. Reilley - Pamphlet weeding, by M. L. Marshall. Bull. M. Libr. Ass., 1952, 40: 162-169.
27. Troxel, Wilma.  
Cataloging. In: Medical Library Association. Handbook of medical library practice. Chicago, American Library Association, 1956, p. 154-188.
28. Wada, Masao.  
High cost of medical periodicals. Libri, 1954, 3: 322-325.

#### REFERENCE WORK AND BIBLIOGRAPHICAL METHODS

29. Baer, K. A.  
Bibliographical methods in the biological sciences. Spec. Libr., 1954, 45: 74-80.
30. Brodman, Estelle.  
The development of medical bibliography. 226 p. 1954. Medical Library Association, 1211 Cathedral Street, Baltimore 1, Maryland. \$ 5.00.  
Historical development and present trends; contains list of medical bibliographies by centuries.
31. Clark, G. M.  
Some secondary tools in reference work. Bull. M. Libr. Ass., 1953, 41: 396-398.
32. Cunningham, E. R. and Grinnell, M. E.  
Reference and bibliographic service. In: Medical Library Association. Handbook of medical library practice. Chicago, American Library Association, 1956, p. 264-293.
33. Gallagher, W. M.  
The preparation of medical bibliographies. Bull. M. Libr. Ass., 1954, 42: 23-29.
34. Norton, L. T.  
How to use a medical library: a guide for practitioners, research workers, and students. 2d ed. 144 p. Wm. Heinemann, Ltd., 90 Great Russell Street, London W.C. 1, 1952. 5/-.  
Although based on British medical library practice, contains information applicable to the average medical library, includes a chapter on compilation of medical bibliographies.

35. Thornton, J. L.  
Reference work in medical libraries. In: Stewart, J. D., ed.  
The reference librarian in university, municipal and specialized  
libraries. London, Grafton & Co., 1951, p. 199-228.  
Practical advice and information on the services offered by a  
medical library; written by a British librarian.

BOOK LISTS

36. American College of Surgeons. Department of Literary Research. The  
Hospital medical library. 48 p. Reprinted from Bulletin, American  
College of Surgeons, July - August, 1955. Available from the Library,  
American College of Surgeons, 40 East Erie Street, Chicago 11,  
Illinois.  
Organization and management; list of monographs, by subject and  
by author, list of periodicals, by subject and by title. Includes  
publisher and price.
37. American Medical Association. Council on Medical Education and Hospitals.  
Hospital medical library suggestions. (Rev. to June 1954, originally  
published J. Am. M. Ass., v. 128, p. 228-232, May 19, 1945). 18 p.  
1954. The Association, 535 North Dearborn Street, Chicago 10,  
Illinois. Available upon request.  
General requirements for organization and maintenance; classified  
list of periodicals and books. Includes publisher and price.
38. Baer, K. A.  
Bibliographic tools for selection of published materials in  
pharmacy. Am. J. Pharm. Educ., 1954, 18: 373-381.
39. British medical book list. Issued monthly by Medical Department. The  
British Council, 65 Davies Street, London W. 1. Price not given;  
probably free.  
A guide to current medical literature; includes books, pamphlets,  
new periodicals, and official publications, chiefly British;  
arrangement alphabetical by author, with publisher and price given.
40. Kenton, Charlotte.  
Reference tools for hospital medical libraries. Bull. M. Libr. Ass.,  
1952, 40: 369-380.
41. Kenton, Charlotte.  
Tools for medical libraries, 1952-1954; a selected list of reference  
books in medicine and allied fields. Bull. M. Libr. Ass., 1955, 43:  
381-393.

Reprints available from the author, Reference Section, National Institutes of Health Library, Clinical Center, Rockville Pike, Bethesda 14, Maryland. A classified list; includes publisher; no price given.

42. Lowe, D. J.  
A selected list of books for the pharmaceutical industry. Spec. Libr., 1954, 45: 87-92.
43. McCann, Anne.  
Pharmaceutical codices and related useful reference tools. Bull. M. Libr. Ass., 1955, 43: 40-51.
44. Medical books in print; a complete index of all publishers' titles, 1955-1956. 104 p. 1956. Issued by George Eliot, Medical and Scientific Books, 1302 Second Avenue, New York 21, New York. Copies sent on request.  
Subject arrangement; includes publisher and price. New issue - Fall, 1956.
45. Medicine and psychology - some leading spring titles. Publishers' Weekly, January 28, 1956, 169: 521-526.  
Lists appear in Spring and Fall announcement numbers.
46. New books. In: Quarterly Cumulative Index Medicus, published semi-annually by the American Medical Association, 535 North Dearborn Street, Chicago 10, Illinois.  
Alphabetical and classified listings of new books published during each six months' period covered by the Index. Alphabetical list gives publisher and price. Approximately 2 years late in appearance.
47. Science reference notes; critical notes on recent important reference materials in the sciences. Published by the Science Libraries of Columbia University, 601 Schermerhorn Hall, Columbia University, New York 27, New York. Issued quarterly. Probably free.  
Annotated list; includes a section on medicine.
48. U. S. Veterans Administration. Department of Medicine and Surgery. Basic list of medical books and journals for Veterans Administration medical libraries. Revised, April, 1956. 20 p. Library Division, Office of the Chief Medical Director, Veterans Administration, H Street and Vermont Avenue, N. W. Washington 25, D. C. Available upon request.  
Classified list; includes publisher and price for books, price only for periodicals.

PERIODICAL LISTS

(See also items 36, 37, and 48)

49. Journals abstracted in the Current Medical Literature Department Journal of the American Medical Association. In: Journal of the American Medical Association, Index number, published three times a year by The American Medical Association, 535 Dearborn Street, Chicago 10, Illinois.  
Lists title of periodical and place of publication.
50. Kronick, D. A.  
A selected list of American house-organs for bio-medical libraries. Bull. M. Libr. Ass., 1950, 38: 152-155.
51. List of journals indexed in Quarterly Cumulative Index Medicus.  
In: Quarterly Cumulative Index Medicus, published semi-annually by the American Medical Association, 535 North Dearborn Street, Chicago 10, Illinois.  
Alphabetical list of periodicals with publishers for most entries; no price given.
52. List of journals indexed in the Current List of Medical Literature. 20 p. June, 1956. Issued by the Armed Forces Medical Library, 7th Street and Independence Avenue, S. W., Washington 25, D. C.  
Available upon request.  
Appears annually in second cumulated volume; also published separately as a reprint. Includes abbreviations.
53. Periodica medica; Titelaekürzungen medizinischer Zeitschriften. 4. Aufl. von Walter Artelt and others. 280 p. 1952. Georg Thieme Verlag, Herdweg 63, Stuttgart, Germany.
54. Ulrich's Periodicals directory, a classified guide to a selected list of current periodicals, foreign and domestic. 7th ed. edited by Eileen C. Graves. 684 p. 1953. R. R. Bowker Company, 62 West 45th Street, New York 36, New York. \$ 10.00.  
Includes section on medical sciences; alphabetical arrangement. Each entry gives title, date of origin, frequency, price, publisher and place of publication, annual index, and items characteristic to each periodical.
55. U. S. Armed Forces Medical Library. Supplementary list of abbreviations for serial publications referred to in the fourth series of the Index-Catalogue. In: Index Catalogue of the Library of the Surgeon General's Office, United States Army (Armed Forces Medical Library), Fourth series, vol. 11, MH--MN. Washington, U. S. Government Printing Office, 1955, p. 1-79. Also issued separately as a reprint.  
Alphabetical listing of periodical title, abbreviation, place of publication.

56. Vital notes on medical periodicals. A publication of the Periodicals and Serials Publication Committee of the Medical Library Association. Editor: William K. Beatty, Assistant in charge of the Medical Library, University of Missouri, Columbia, Missouri. Appears 3 times a year.  
Lists new periodicals, changes in title, mergers, and titles suspended or discontinued.
57. World medical periodicals. 237 p. 1953. Published jointly by the United Nations Educational, Scientific and Cultural Organization, 19, Avenue Kleber, Paris 16, and the World Health Organization, Palais des Nations, Geneva, Switzerland. \$ 2.00.  
Lists alphabetically approximately 4000 titles current in 1950, with place of publication, frequency of issue, and symbols indicating coverage by certain abstracting services. Pharmacy, dentistry, chemistry, and veterinary medicine are included.

#### SPECIAL TYPES OF LIBRARIES

58. American Hospital Association. Asa S. Bacon Memorial Library. The magic key to hospital literature; a guide to the use of the Library of the American Hospital Association. 48 p. Chicago, 1950.  
Includes a list of subject headings for vertical file and selected catalog of books in the Bacon Library.
59. Exley, M.  
Medical libraries in industry. Libri, 1954, 3: 53-59.  
Emphasis is given to the pharmaceutical library.
60. Fry, Alderson.  
Problems in establishing a dental library. Bull. M. Libr. Ass., 1956, 44: 30-33.
61. Joint Committee on Standards for Hospital Libraries.  
Hospital libraries; objectives and standards. 19 p. 1953.  
Hospital Libraries Division, American Library Association, 50 East Huron Street, Chicago 11, Illinois.  
Includes the patients' library, the hospital medical library, and the school of nursing library.
62. Leake, C. D.  
The role of the medical school library in the medical school teaching program. Bull. M. Libr. Ass., 1953, 41: 369-378.

63. Lint, F. W.  
Organizing a medical library in a tuberculosis hospital. Spec. Libr., 1955, 46: 167-169.  
Description of the Library of a Public Health Service hospital.
64. Mohrhardt, Foster.  
Standards of performance for hospital libraries. Libr. Trends, 1953, 1954, 2: 452-457.  
Libraries in the Veterans Administration.
65. Robinson, Arline.  
The separate dental school library. Bull. M. Libr. Ass., 1952, 40: 26-29.
66. Symposium on types of medical libraries: Recruiting begins in the library, by I. M. Strieby - The hospital medical library, by Ella Crandall - The medical school library, by R. T. Lentz - The medical society library, by G. M. Clark - State medical libraries, by Jeannette Dean-Throckmorton - The pharmacy library, by J. A. MacWatt - Research libraries in medicine, by T. E. Keys - The public health library, by F. E. Herman. Bull. M. Libr. Ass., 1955, 43: 177-216.
67. Troxel, Wilma.  
Library service for modern dental education in a combined medical - dental - pharmacy library. Bull. M. Libr. Ass., 1952, 40: 21-25.
68. Villiancourt, P. M.  
Hospital nursing school libraries. Bull. M. Libr. Ass., 1956, 44: 121-124.
69. White, G. S.  
The hospital medical library. [Editorial]. Med. Ann. District of Columbia, 1953, 22: 555-556.

#### REVIEWS

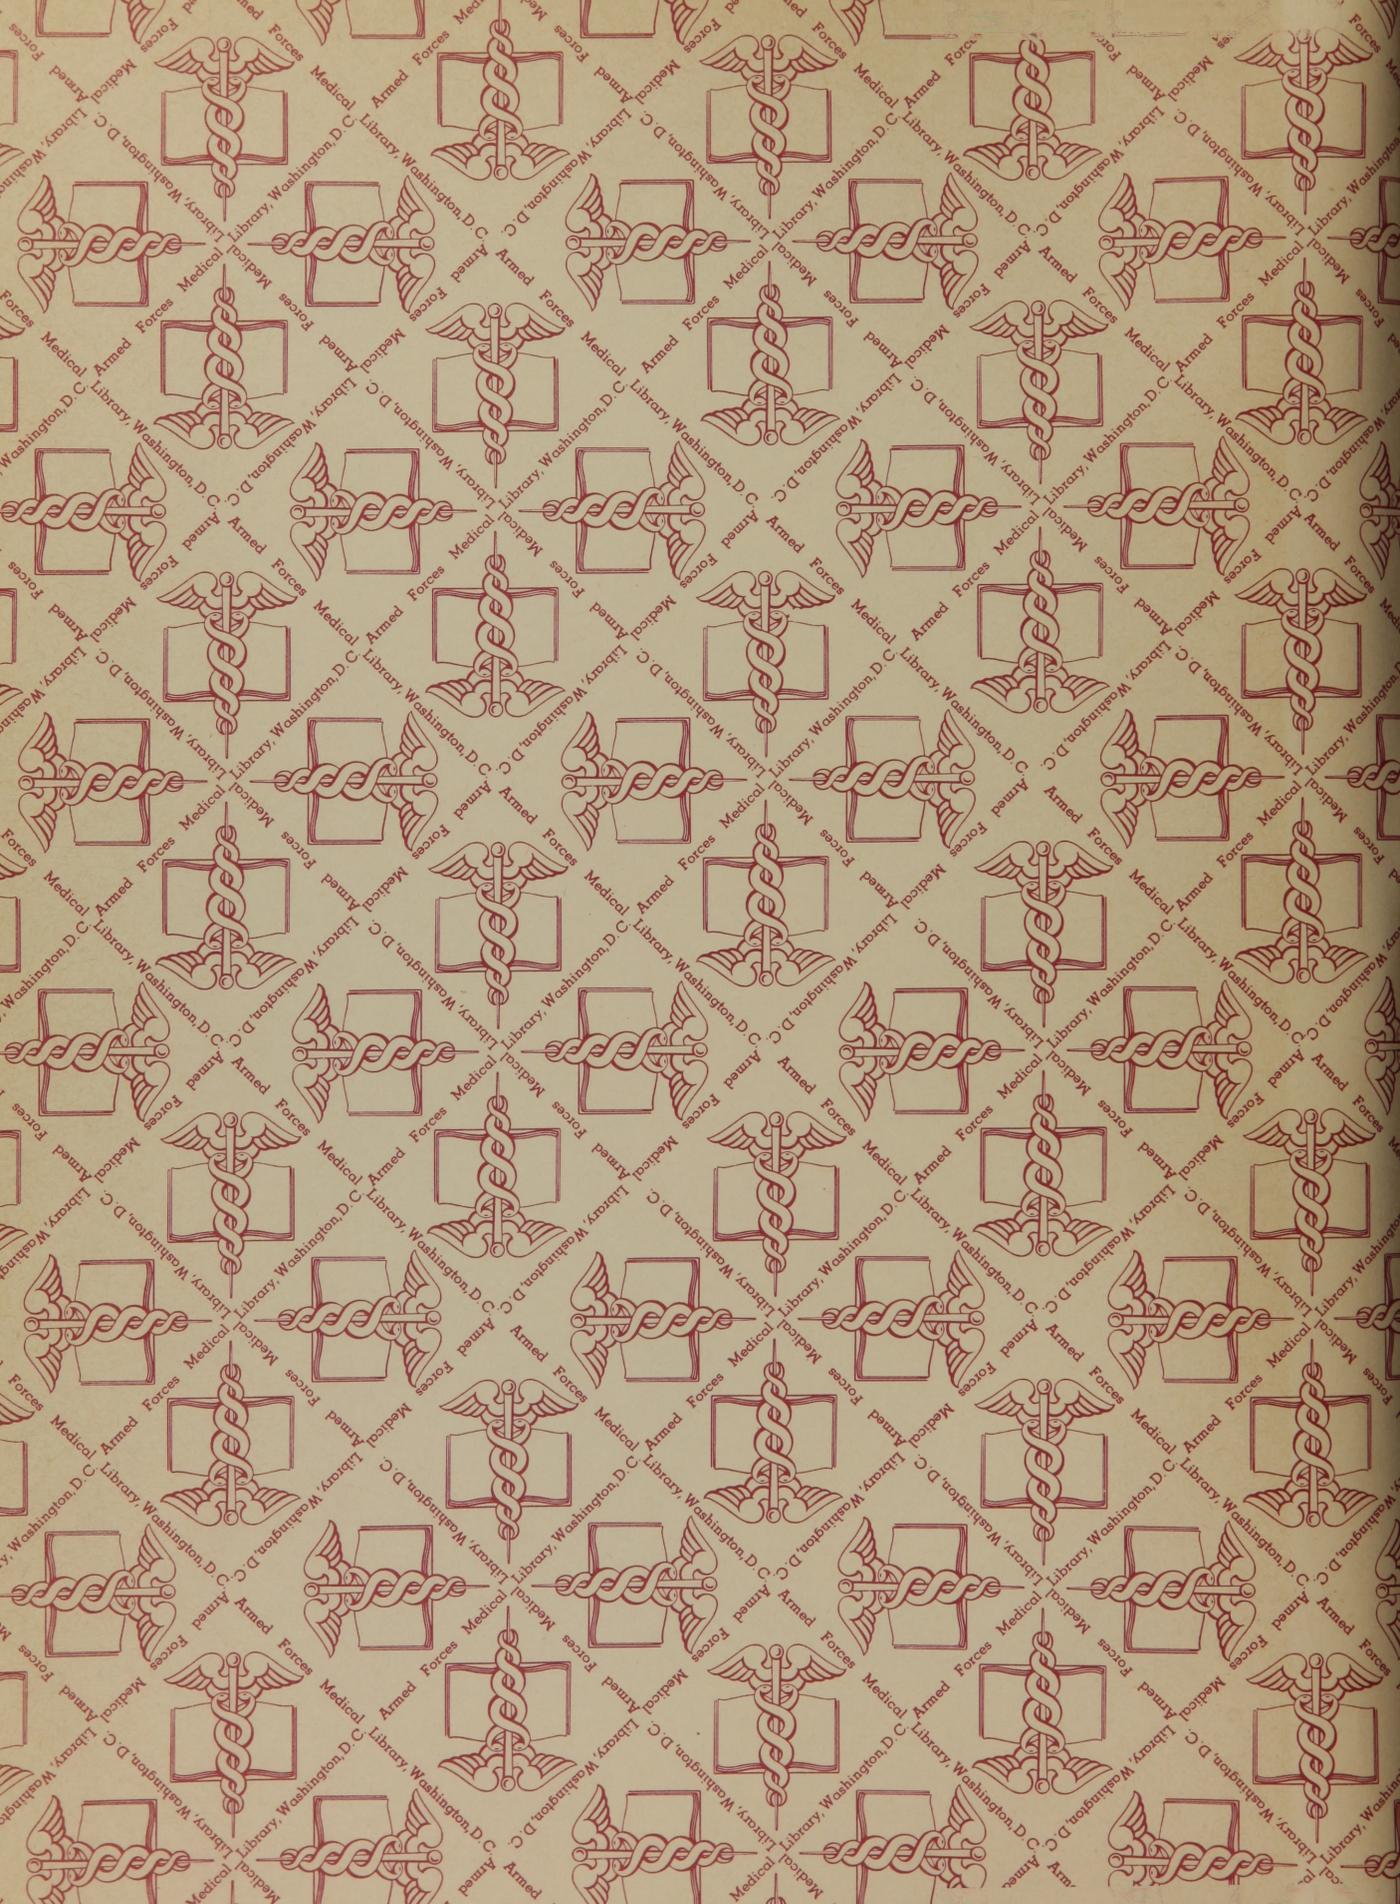

70. Annotated list of reviews in medicine. In: Annual review of medicine, published by Annual Reviews, Inc., Stanford, California. \$ 7.00.  
A classified list appears at the end of each volume.
71. Bibliography of medical reviews, 1955. 1 v. Published by Armed Forces Medical Library, 7th Street and Independence Avenue, S. W. Washington 25, D. C. To be issued annually, first volume published in summer of 1956.

72. Kenton, Charlotte.  
A list of scientific review literature. 9 p. 1954. Issued by National Institutes of Health Library, Clinical Center, Rockville Pike, Bethesda 14, Maryland.  
An alphabetical listing of 122 review publications.

SERVICES TO LIBRARIES

73. A. M. A. Library. J. Am. M. Ass., 1954, 156: 258.  
Publications; loan rules.
74. American Medical Association. Public Relations Department.  
Guide to services. 120 p. 1955. Published by the American Medical Association, 535 North Dearborn Street, Chicago 10, Illinois.  
Probably free.  
History, organization, activities of the American Medical Association; its publications, library. New edition in press.
75. The Armed Forces Medical Library, its services to medical officers. U. S. Armed Forces M. J., 1954, 5: 1349-1352.  
Information on photoduplication services, loans, reference services, publications.
76. College of Physicians of Philadelphia.  
The library. 5 p. November, 1951. Issued by Library, College of Physicians of Philadelphia, 19 South 22nd Street, Philadelphia 3, Pennsylvania. Probably free.
77. Library and Department of Literary research; the medical library world. Bull. Am. Coll. Surgeons, 1951, 36: 384-388.  
Describes services available through the Department of Literary Research, American College of Surgeons.
78. New York Academy of Medicine, Library.  
Library, the New York Academy of Medicine. 4 p. 1950. Issued by the New York Academy of Medicine Library, 2 East 103rd Street, New York 29, New York. Probably free.
79. Rogers, F. B. and Brodman, Estelle.  
Public services of the Army Medical Library. Med. Arts & Sc., 1952, 6: 18-21.
80. U. S. Armed Forces Medical Library.  
Armed Forces Medical Library services. 13 p. July, 1956. Issued by the Armed Forces Medical Library, 7th Street and Independence Avenue, S. W., Washington 25, D. C. Available upon request.

NATIONAL LIBRARY OF MEDICINE
