AN ACT

TO INCORPORATE THE

Medical Society of South-Carolina.

WHEREAS, Alexander Baron, Physician, and President of the *Medical Society of South-Carolina*, in behalf of the Members now composing said Society, hath petitioned the Legislature of this State, to be admitted a body corporate and politic, in name and deed, by the name of the **MEDICAL SOCIETY OF SOUTH-CAROLINA**:—

*BE it therefore enacted by the honourable the Senate and House of Representatives, now met and sitting in General Assembly, and by the authority of the same, That all those who now belong to, and all those who shall be hereafter duly admitted, or become members of that Society, according to the rules, orders, and constitution of the said Society, formed or to be formed, shall be, and they are hereby declared to be one established body, corporate and politic, in deed and in name, by the name and style of the **MEDICAL SOCIETY OF SOUTH-CAROLINA**, and by the same name shall have perpetual succession of officers and members, and a common seal, with power to change, alter, break and make new the same, as often as the said Corporation shall judge expedient; and the said Corporation and its successors, shall be able and capable in law to purchase, have, hold, receive, enjoy, possess and retain to itself, and to its successors, in perpetuity or for any term of years, any estate or estates, lands, tenements, or hereditaments of any kind or nature soever, not exceeding the annual income of three hundred pounds sterling; to sell, alien, exchange, devise or lease the same, or any part thereof, as they shall think proper, and may by the said name sue and be sued, implead and be impleaded, answer and be answered unto, in any court of law or equity in this State; and to make such rules and by-laws (not*

repugnant to the laws of the land) for the benefit of the said Corporation, and for the order, rule, good government, and management of said Corporation, as shall from time to time be agreed upon by a majority of the members of the said Corporation.

And be it further enacted by the authority aforesaid, That it shall and may be lawful for the said Corporation hereby erected, to take and to hold to it and its successors forever, any donations or devises of lands and personal estates, not exceeding in the whole the annual sum of three hundred pounds sterling, and appropriate the same for the benefit of the said Corporation, in such manner as may be determined on by a majority of the members thereof.

And be it further enacted by the authority aforesaid, That the said Corporation shall be and it is hereby declared able and capable in law, to have, hold and receive, enjoy, possess and retain all such estates, real and personal, money, goods, chattels and effects, not exceeding in the whole the annual income of three hundred pounds sterling, which it now possesses, or is entitled to, or which have been already given, devised or bequeathed to it, by whatever name that devise or bequeath may have been made.

And be it further enacted by the authority aforesaid, That this act shall be deemed and taken as a public act, and notice shall be taken thereof in all courts of justice, and elsewhere, in this State; and shall be given in evidence on the trial of any issue or cause, without special pleading.

In the Senate House. May the tenth, Anno Domini, one thousand seven hundred and ninety-four, and in the eighteenth year of the Independence of the United States of America.

DAVID RAMSAY,
President of the Senate.

JACOB READ,
Speaker of the House of Representatives.

LAWS, &c.

SECTION I.

Of Meetings.

ARTICLE 1.—The Medical Society shall have an Anniversary Meeting, which shall be held at 12 o'clock, on the second Monday in December, at which a President, Vice-President, Secretary, and Treasurer, (as Officers of the Society,) a Librarian, and five members to constitute an Examining Committee, shall be chosen by a majority of the votes of the members present, taken by ballot.

ART. 2.—At every Anniversary, after the business of the day, the Society shall dine together. The Stewards shall, at their discretion, provide a sufficient Dinner—for defraying the expenses of which, every member *dining*, shall pay the sum of Five Dollars, and absentees within the Lines, Three Dollars. Any member not wishing to dine, may be excused the penalty, by giving a week's notice in writing to either of the Stewards.

ART. 3.—The Society shall also have stated Monthly Meetings, on the first day of every month, Sundays excepted—in such case, the meeting shall be held on the Monday following. The time of meeting shall be 12 o'clock.

ART. 4.—On all extraordinary occasions, the President or Vice-President is authorised to convene the Society; or at any time when it shall be requested in writing by three of the members.

SECTION II.

Duties of the Officers.

ARTICLE 1.—When five members are present, the President, Vice-President, or in their absence, the senior member present, shall take the chair and constitute the Society, precisely at the hour above mentioned.

ART. 2.—The member presiding, shall preserve order and decorum, put all questions, declare the vote or opinion of the majority on any subject, sign all the acts of the Society, and on the first day of every December, appoint a committee to examine the Treasurer's books, and report on the same at the ensuing anniversary; but shall not interfere in any debate without permission.

ART. 3.—It shall be the duty of the presiding officer, at every monthly meeting of the Society, to request the members present to communicate information respecting the weather and diseases of the preceding month, and direct the Secretary to sum up the whole and enter it in a journal to be kept for that purpose. It shall be his duty further to request the members to furnish the Society with any remarkable cases that may have occurred in their practice; which, when communicated in writing by the members who offer them, shall, at the discretion of the Society, be recorded by the Secretary in the Medical Journal of the same. It shall be his duty likewise, at each monthly meeting of the Society, to propose some Medical or Philosophical question, for discussion at the ensuing meeting; unless it shall be rendered unnecessary, by the discussion of a dissertation.

ART. 4.—The President shall prepare and read at each anniversary, a review of the weather and diseases of the current year, together with such medical observations as may appear to him to be useful and connected with the object of the institution.

ART. 5.—The President shall appoint two Stewards to provide a suitable dinner for the anniversary, at any reasonable period previous to that day.

ART. 6.—The Secretary shall keep all papers, record the transactions of the Society, correspond with such other institutions as he may be directed to do by the President, summon the members, and notify in writing to newly elected members their election, quoting the conditions necessary to entitle them to the rights of membership, and the consequences of their non-compliance, as per Art. 5th of Section VIII.

ART. 7.—It shall be the duty of the Secretary to employ a person to transcribe such manuscripts as the Society may think necessary; and the President is hereby authorised to draw on the Treasurer for payment of the same. It shall be his duty further to send written summonses to the members every monthly meeting, at least 24 hours before the time and in cases of emergency, to summon through the medium of the newspapers, when authorised by the President. It shall be his duty also, to publish the name of every person hereafter admitted a member of this Society, after he shall have conformed to the rules.

ART. 8.—The *Treasurer* shall receive all contributions, legacies and donations to the Society, or fines incurred by the members; pay all such sums as he may be authorised to do by the rules and resolutions, take into his custody all the ready money, bonds or other securities of the Society, and keep a fair and just account of the same, together with a proper schedule of the arrears due by the members, and of his receipts and expenditures; and on the 1st of December of every year, or whenever called upon, shall render to the Society a just and true account of them. It shall be his special duty, within the month of January, to notify to every member, in writing, the state of his account with the Society, and that unless payment be made by the first of July ensuing, he will be sued for the same; and the Treasurer is hereby directed to proceed against every defaulter, without further ceremony. It shall be his duty also, to collect all dues to the Society; and as a satisfaction for the execution of these duties of his office, he shall be entitled to receive a commission of five per cent. on all collections made. Furthermore, he shall give bond to the Society, with one or more securities, to be approved of by the President, and in his absence the Vice-President, for the amount of One Thousand Dollars, with proper conditions annexed thereunto.

SECTION III.

Of Admission of Members, and their Duty.

ARTICLE 1.—The Society shall not be confined to any number, but shall be open to any gentleman of merit in the medical profession; it being understood, that those who have not studied medicine in Carolina, shall have resided in the State twelve months previous to their application, and that no one shall be admitted a member until he shall have obtained a licence to practice physic and surgery, according to law. Such therefore as choose to become members, must address themselves to the President and Members, stating the opportunities they have had of qualifying themselves for the practice of physic. The letter shall be read at one monthly meeting, and at the next the candidate shall be balloted for, and admitted, provided he has a majority of three fourths of the members present, in his favour.

ART. 2.—No candidate shall be balloted for, unless there be twelve members present.

ART. 3.—Every gentleman, on entering the Society, shall sign the laws thereof, and pay into the hands of the Treasurer, the sum of Twenty Dollars; without which, no person hereafter admitted shall be considered a member, or entitled to the rights of such.

ART. 4.—Every member residing in the city, shall pay into the hands of the Treasurer, the sum of Ten Dollars, and every country member Five Dollars annually, which payment shall be due on the anniversary. Newly admitted members shall pay in proportion to the time since admission.

ART. 5.—No resignation of membership to the society shall be accepted, unless the same is signified in writing to the Society, and all arrears paid to the date of the resignation.

ART. 6.—Every member shall address the President standing; and no member shall be interrupted while speaking, unless he is called to order by the President; nor shall any member speak more than twice upon any question or subject, unless permitted by the President.

SECTION IV.

Of Corresponding Members.

ARTICLE 1.—Medical gentlemen residing without the State, may be admitted as Corresponding Members, under the same regulations as Ordinary Members; but shall be excused from paying any contributions, and be excluded from all participation in the funds and library of the Society; they may nevertheless attend all meetings, furnish papers when convenient in their turn, or furnish such medical or philosophical intelligence as they may deem worthy the notice of the Society.

ART. 2.—Ordinary Members, leaving the State, shall be placed upon the footing of Corresponding Members.

ART. 3.—The form of a Certificate for a Corresponding Member, shall be the same as for Honorary Members, except, that instead of the words "*inter Honorarios,*" the words "*inter Consiliorum Socios,*" be inserted.

SECTION V.

Of Honorary Members.

ARTICLE 1.—The Society agree to have Honorary Members; such are to be proposed at any of the monthly meetings, and balloted for at the next. They shall be elected after the same mode as other members, but not subject to the payment of contributions. Certificates of their admission as Honorary Members, shall be transmitted them at the expense of the Society.

ART. 2.—Every Member of this Society, residing in town, who shall have contributed for fifteen years to the funds of the Society, and every member of this Society residing in the country, who in addition to his fifteen years' contribution as a coun-

try member, shall realize to the Society the difference between his contributions and that of a town member for the above period, shall be in course and thenceforth excused from all *future* fines and contributions, excepting those for the detention of books; provided all arrears that may be previously due shall have been fully settled by *such member*.

SECTION VI.

Of Dissertations.

ARTICLE 1.—Twelve members, to be chosen by the President on the day of the anniversary, shall read in rotation, at each monthly meeting, a dissertation on some medical or philosophical subject, which shall be open at the time for discussion, having been announced the meeting previous.

ART. 2.—Every paper read before the Society, shall become the property thereof; and it shall be the duty of the author, to furnish the Secretary with a copy of the same.

SECTION VII.

Of Certificates.

ARTICLE 1.

The form of a Certificate for an Ordinary Member, shall be as follows, viz :

SECTION VIII.

Of Penalties.

ARTICLE 1.—Every member neglecting to pay his annual contribution when due, shall be dealt with according to Section II, Article 8.

ART. 2.—Every member who loses a paper during its circulation, shall be fined in the sum of Ten Dollars; and every member who neglects to circulate a paper, shall be fined in the sum of Two Dollars, monthly, for such detention.

ART. 3.—The paper shall be accompanied with an alphabetical list of the names of the members, made out by the Secretary, which shall be the order of circulation; and every member shall note opposite to his name, the time of receiving and forwarding the same in circulation, and shall not detain it longer than twenty-four hours.

ART. 4.—Every member refusing or neglecting to furnish the Secretary with a copy of his paper which has been read before the Society, shall incur the penalty of Five Dollars.

ART. 5.—The papers which are sent into circulation, shall be transmitted by and delivered to a white person.

ART. 6.—In case of any improper conduct as a gentleman, in any member of this Society, the offender shall be punished by expulsion, or in such other manner as a majority of two thirds of the members present shall think proper.

ART. 7.—Any person hereafter admitted a member of this Society, and being duly notified of such admission by the Secretary, who shall not for three months after such notice, sign the laws of the Society and conform thereto, shall be, and the same is hereby declared to have forfeited his right of membership, and a new application and election is hereby declared necessary for his admission, as before.

SECTION IX.

Of Visitors.

ARTICLE 1.—Medical gentlemen of character, occasionally visiting Charleston, may be introduced as visitors, by any member, after the private business of the Society has been transacted; *provided* they do not exceed five at any one period, and that information be lodged with the President, or, in his absence, the Vice-President, one day previous to the meeting.—It is understood, that the member who introduces, stands pledged for the respectability of the character introduced.

SECTION X.

Of the Library.

ART. 1.—The Books are to be loaned to members only, none of whom shall be entitled to the use of them, who are more than one year in arrears.

ART. 2.—No member shall take or have out of the Library, at or during the same time, more than one volume of any sett of Books that is in *folio* or *quarto*; which volume they may keep as follows:—if under 200 pages, twelve days; if above 200 pages, and under 400 pages, twenty days; and if above 400 pages, twenty-five days. Books of *octavo* size, and under, being in connection, may be taken out in setts, provided they do not exceed five volumes in the sett—ten days being allowed for each volume in the sett; but if taken out in single volumes, each volume may be kept a fortnight—*provided always*, that a succeeding volume of any sett shall never be delivered to any

applicant who takes in succession, until the preceding volume shall be returned. *Pamphlets* and *Magazines*, may be kept a week each.

ART. 3.—The time allowed to country members, shall be double that allowed to members in town.

ART. 4.—All Pamphlets, and periodical works, shall lie on the table of the Society a month, before they go into circulation.

ART. 5.—In cases where a Book or sett of Books have been in the hands of a member during the time allowed by these rules, such member may return, and immediately take them out again, unless there has been one or more applications for such Book or sett of Books, during the time he has held them; in which case they must be returned to the Library, and lie two days before the same member can be allowed to take them out for another period.

ART. 6.—Any member who detains a Book or sett of Books, longer than the term prescribed shall be fined in the sum of five cents per day for such further detention: which fine the Librarian shall transmit to the Treasurer, who is hereby required to make a regular charge of the same in his account. Country members shall be allowed at the rate of one day for every ten miles between the place of his residence and Charleston, for the returning of a Book or sett of Books, after the time limited by the rules shall have expired.

ART. 7.—No member shall be allowed to take out a Book or sett of Books, unless he gives a receipt, to be inserted in a book kept by the Librarian for that purpose; or unless he send a written order, specifying the Book or sett of Books, and signed by himself.

ART. 8.—If any Book or volume of a Work be lost, or materially injured, the member so losing or abusing it, shall be liable for the value of the whole Work, which is to be appropriated to the purchase of a new Book or sett of Books; and the Treasurer is hereby required to call upon him for payment of the same.

ART. 9.—The officers of the Society, shall be, ex-officio, a standing committee for the purchase of Books; and they are hereby authorised to purchase such books, periodical works, anatomical preparations, and philosophical apparatus, for the Society, as they may deem proper, and connected with the objects of the Institution; and they are hereby authorised to draw on the Treasurer for payment of the same.

ART. 10.—The Librarian shall be required to give a receipt for the books which shall be delivered into his charge, and bond of Five Hundred Dollars, obligating himself to indemnify the Society for all losses resulting from negligence or inattention to his duties.

SECTION XI.

Of the Funds.

ARTICLE 1.—The Society agree to appropriate the several donations, legacies, contributions and fines, intended to be collected and inflicted by the foregoing rules, towards raising a fund for the purpose of extending the Medical Library, procuring Anatomical Preparations and a Philosophical Apparatus, and for such other purposes as are connected with the improvement of Medical Science, and the objects of this Institution.

SECTION XII.

Of New Laws.

ARTICLE 1.—New Laws shall not be made, nor any of the foregoing altered or amended, unless there be twelve members present; nor until the same shall have been proposed in writing, debated at the next or subsequent meeting, and decided by a majority of two thirds of the members present.

RESOLUTION.

Resolved--That the members of this Society do wear crape on the left arm, for one month after the decease of a member.

AN ACT

To regulate the Licencing of Physicians to Practice, and for other purposes therein mentioned.

BE it enacted by the honorable the Senate and House of Representatives, now met and sitting in General Assembly, and by the authority of the same, That from and after the passing of this Act, no person or persons shall be allowed to practice Physic or Surgery, or any of the branches thereof, or in any case to prescribe for the cure of diseases, for fee or reward, unless he or they shall have been first licensed to do so, in the manner hereinafter prescribed.

And be it further enacted by the authority aforesaid, That if any person or persons shall hereafter presume, without such license, to practice Physic, Surgery, or in any manner prescribe for the cure of diseases, for fee or reward, he or they shall be liable to be indicted, and on conviction thereof, shall be fined, not exceeding the sum of five hundred dollars, and be imprisoned, not exceeding the term of two months; one half the fine to the use of him who shall inform, and the other half to the use of the State.

And be it further enacted by the authority aforesaid, That on the trial of all indictments, for any of the offences enumerated in this Act, it shall be incumbent on the defendant to shew that he has been licensed to practise Physic and Surgery, and to prescribe for the cure of diseases, in the manner hereinafter mentioned, to exempt himself from the penalties enumerated in this Act.

And be it further enacted by the authority aforesaid, That all bonds, notes, promises and assumptions, made to any person or persons not licensed in manner hereafter mentioned, the consideration of which shall be services rendered as a physician or surgeon in prescribing for the cure of diseases, shall be, and they are hereby declared utterly void, and of no effect.

And be it further enacted by the authority aforesaid, That in order to the proper regulation of the practice of Physic and Surgery, there shall be established two Boards of Physicians,

one at Charleston, and the other at Columbia, who shall at their annual meetings, examine all applicants, and if on such examination they are found competent, shall grant to such applicants, a license to practice Physic and Surgery: *Provided*, That three members of either of the said Boards, shall constitute a quorum to make such examination, and grant such license; and provided also, that if any applicant shall have studied and received a Diploma from any Medical College, the said Board or Boards, or a quorum of either of them, shall license the said applicant to practice, without examination. And provided also, that no person shall be so licensed, unless he shall prove to the satisfaction of the Board, that he has studied Medicine and Surgery under the direction of some regular bred practising physician, for at least two years.

And be it further enacted by the authority aforesaid, That the Medical Society of South-Carolina, shall constitute the Board of Physicians at Charleston; and the following persons shall constitute the Board of Physicians at Columbia, to wit—Edward Fisher, James Davis, Edward D. Smith, George P. Hasell, G. W. Philips, Burr Johnson, George W. Glenn, Wm. Bratton, Joseph W. Waldo, Andrew Moore, George Ross, Edward H. Anderson, Wm. Blanding, Thomas Casey, V. D. V. Jameson, James Ainsworth, Oliver Hawes, A. S. Moore, Peter Kean, Robert Campbell, Walter O. Bickley, Eber Smith, Richard B. Screven, Abraham Deleon, Wm. Langley, Benjamin Harris, Barkley Jones, Roderick Murcheson, Swepson Cox, Benjamin Clapp, Richard Harrison, Isaac Auld, John M'Iver, and John Dunham.

And be it further enacted by the authority aforesaid, That the annual meeting of the Board of Physicians at Columbia, shall be held in the town of Columbia, on the Wednesday after the first Monday in December, in each and every year; and that the said Boards at Columbia and Charleston, shall be entitled to receive and demand of every applicant when licensed, the sum of Five Dollars for each and every examination, and the sum of Five Dollars for every license.

And be it further enacted by the authority aforesaid, That no part or clause of this Act, shall have any operation or effect upon any person now practising Medicine or Surgery within this State.

And be it further enacted by the authority aforesaid, That no Apothecary within this State, shall hereafter be permitted to vend or expose to sale, any Drugs or Medicines, without previously obtaining a license to do so, from the Medical Society of South-Carolina, or Board of Physicians created by this Act. And every Apothecary so vending or selling Drugs or Medicines, contrary to the provisions of this Act, shall be liable to

all the penalties imposed by this Act, on Physicians and Surgeons practising without a license. Provided, that nothing herein contained, be construed to prevent merchants or shopkeepers from vending or exposing Medicines for sale, already prepared.

And be it further enacted by the authority aforesaid, That the Medical Society of South-Carolina, and the Board of Physicians created by this Act, shall have the power to examine any Apothecary who may apply to them for a license, touching their knowledge of Drugs and Pharmacy, and on finding such person qualified, shall grant such license, and receive therefor, the same fees as provided in this Act for license to practice Medicine and Surgery.

And be it further enacted by the authority aforesaid, That twelve months shall be allowed to every Apothecary now in this State, to obtain the necessary license.

And be it further enacted by the authority aforesaid, That the Medical Society of Charleston, or any three members of the Board of Physicians at Columbia, be, and they are hereby authorised, during the recess of the annual Board, to examine any applicants; and if on examination, deemed competent to practice Medicine and Surgery, shall grant them permission to practice until the next annual meeting of the Board of Physicians, at Charleston or Columbia, to whom they shall make application for a license to practice Medicine and Surgery, and if refused, shall not be again permitted to practice, except by a license from one of the Boards.

And be it further enacted by the authority aforesaid, That the said Medical Board at Columbia, be, and they are hereby authorised and empowered, to elect all such officers, and frame all such by-laws, as may be necessary to carry this Act into effect; and in case of the death, removal, or refusal to serve, of any member of the said Board, the said Board, or a quorum of them, be, and they are hereby empowered to fill up every such vacancy.

And be it further enacted by the authority aforesaid, That if any of the members by this Act appointed to constitute the Board of Physicians to meet at Columbia, shall fail to attend the meeting of the said Board of Physicians for three successive annual meetings of the same, he shall be no longer considered a member thereof; and it shall be the duty of the presiding member, at each meeting of the said Board, to note the defaulters at such meeting.

Ratified in the Senate Chamber, December 18th, 1817.

JAMES R. PRINGLE,

President of the Senate.

THOMAS BENNETT,

Speaker of the House of Representatives.

RESOLUTIONS

*Consequential to the Act passed by the Legislature,
Regulating the Practice of Physic, &c.*

I. *Resolved*, That every person desirous of obtaining from the Medical Society, a license to practice Physic and Surgery, and to carry on the business of an Apothecary, in this State, shall make application for the same by letter, directed to the "President and Members of the Medical Society of South-Carolina," stating the opportunities he or they may have had of studying Medicine or Pharmacy, and his or their qualifications.— And every letter so received, shall be read by the Secretary at the next monthly meeting of the Society, and then handed over to the Chairman of the Committee of Examination, whose duty it shall be, in conjunction with the Committee, to proceed to examine every such applicant, within one month from the time the letter shall have been received.

II. That a committee of five members of the Medical Society, shall be elected at every anniversary meeting, in the same way and manner as the officers of the Society are elected; which committee shall examine, according to law, every applicant for license to practice Physic and Surgery, or carry on the business of Apothecary, in this State.

III. Should the committee, after a regular and satisfactory examination, approve of the qualifications of the applicant or applicants, and think him or them worthy to practice Physic or Surgery, or to carry on the business of an Apothecary, as the case may be, they shall grant him permission to do so, and report the same to the Medical Society, at their next succeeding monthly meeting. If, however, the committee of examination do not think the applicant or applicants sufficiently qualified for the practice of Physic or Surgery, or to carry on the business of an Apothecary, as the case may be, or do not approve of his or their certificate, they shall refuse to grant him or them permission to practice as Physician, Surgeon, or Apothecary, and state the same to the Society, at their next monthly meeting.

IV. No applicant who has been refused permission to prac-

tice Physic or Surgery, or to carry on the business of Apothecary in this State, either by the Board of Physicians at Columbia, or either of their committees, or the committee of examination of this Society, shall be permitted to make a second application, until twelve months shall have expired from the time of his first application.

V. The Society having received the reports of the committee of examination, shall direct every applicant who has been permitted by the committee, to practice Physic or Surgery, or to carry on the business of Apothecary, as the case may be, to attend at their next anniversary meeting, when they shall proceed to a further examination, to any extent they may think proper; and if the Society are then satisfied with the qualifications of the applicant; they shall order a license to be granted. If, however, they should not approve of the qualifications of the applicants, they may refuse the license.

VI. No certificate granted from the Medical Society to any person to Practice Physic and Surgery, or to carry on the business of Apothecary in this State, shall be valid, unless it be signed by the Chairman of the Committee of Examination and the President and Secretary of the Medical Society, and have the Seal of the Society affixed.

VII. The form of the Licence shall be as follows:—

STATE OF SOUTH-CAROLINA.

BE it known to all whom it may concern, that the Medical Society of the State of South-Carolina, in compliance with, and under the authority of the Act of the Legislature of the State, "Regulating the Licencing of Physicians, &c. and for other purposes therein mentioned," passed 18th Dec. 1817: Being satisfied with the qualifications of _____, do by these presents, give and grant unto him full permission and licence to practice Medicine and Surgery in all its branches, (or, if an Apothecary) to carry on the business of Apothecary and Druggist in this State.

In witness whereof, we have hereunto set our hands at
Charleston, in the State aforesaid, this _____ day of
in the year of our Lord _____ and _____ of the Sove-
reignty of the United States of America.

L. S.

A. B. *President Medical Society.*

C. D. *Chairman of Com. of Exam.*

E. F. *Secretary Medical Society.*

VIII. The Secretary of the Medical Society shall upon delivering the Licence granted by the Society, receive the fees

allowed by law, and give them over to the Treasurer for the use of the Society.

IX. That information be obtained from the Board at Columbia, whether they have, or mean to appoint, Committees in different parts of the State; and propose that they should correspond for the purpose of informing each other of the approved and rejected Candidates.

X. That the names of the persons licensed, be published annually, and a register kept of both licensed and rejected persons, with the place and date of the circumstances.

XI.
