

LIVER TROUBLES

AND HOW TO CURE THEM

LYNN'S

Active Liver Pills

ARE THE BEST FOR THE LIVER

BECAUSE they do not gripe.

BECAUSE the dose is small, ONE pill.

BECAUSE they act directly on the Liver.

BECAUSE they are gentle, mild and safe.

BECAUSE you do not have to take but one pill,
when other pills are from two to three at a dose,
which makes Lynn's the cheapest, safest and best
Pills on the market. x x x x x x x

In placing Lynn's Active Pills before the people, we feel assured that if they once try them they will use no other. We have spent years of study in perfecting a pill that combined all the medicinal properties of a liver stimulant without producing any bad effects. The dose is small (one pill), and they will positively do all we claim for them. Lynn's Active Pills contain nothing injurious, and can be taken by the most delicate women without fear of any bad results. They are perfectly safe.

LYNN'S ACTIVE LIVER PILLS ARE RECOMMENDED FOR BILIOUSNESS, CONSTIPATION,

TORPID LIVER, HEADACHE, LIVER SPOTS AND ALL LIVER COMPLAINTS.

THEY ARE MILD AND THOROUGH IN THEIR ACTION.

THEY WORK WHILE YOU REST.
