Dear Dr. Lederberg:

Your note regarding change of employment has just come to my attention. I am sure you are to be congratulated on your new position yet I must admit a twinge of regret at your leaving Wisconsin and disbanding a laboratory which has been so productive. Also I regret that you are moving farther away from us.

I hope your new situation will prove to be all that you anticipate and that you and Esther will be very happy in California.

With kindest regards, I am

Sincerely yours,

Philip R. Edwards, Ph. D.
Chief, Enteric Bacteriology Unit
